

School-wide Plan Summary 2016-2017

Water Canyon School will be successful in every way. We are using a variety of interventions and extensions to help all students feel successful. We will continue to work with parents and students on strategies to help student become successful. We understand and continue to involve parents and students in engaging activities that will build trust between the school and the community. We have had several parent activities that have been beneficial to all stakeholders. We now have a PTA that will provide parent support and input to the school so we can become more successful. We use a variety of new technology and software that will help with instruction, which in turn has enhanced the learning environment and broadened student understanding while insuring safety and success.
