

Water Canyon Elementary School Parent Compact 2026-2027

School

We are committed to providing high quality instruction to all students, and believe that every student can learn at high levels. As a school we will:

- Build a culture of leadership while providing a positive and safe learning environment.
- Provide evidence-based, high quality instruction, delivered by licensed, Utah educators, aligned with Utah Core Academic Standards.
- Provide targeted student support by utilizing Title I interventions, Multi-Tiered Systems of Support (MTSS), and progress monitoring to address individual academic and/or behavioral needs early.
- Hold bi-annual, in-house parent-teacher conferences in September and February, offer flexible opportunities for classroom volunteering, and host family learning nights.
- Ensure continuous, meaningful parent communication through parent- teacher conferences, tri-annual paper and PowerSchool progress reports, email, phone calls, and translated notices in languages family members understand.

Parent

I understand that my child's education is essential for his or her success in life, and that Elementary Education is the foundation of learning. I am committed to following each of the requirements to ensure my student's success this school year. As a Parent I will:

- Monitor and ensure daily attendance, limit student tardiness, minimize early check-outs, and provide for prompt student pick up at the end of the school day.
- Ensure my child arrives at school rested and ready to learn every day.
- Set aside a quiet study space if homework is assigned, monitor and encourage homework completion, and read at least 20 minutes with my child every day.
- Attend bi-annual parent-teacher conferences, review my child's progress reports, and communicate regularly with my child's teacher.
- Participate in school-wide activities, join the School Community Council, Parent Teacher Organization, and volunteer in my child's classroom as able to model positive engagement.

Student

I know that education is key to my future and that being successful will prepare me for my future. I am committed to doing the following to ensure I am getting the best education. As a student I will:

- Attend school daily and arrive on time.
- Arrive at school on time every day with a positive mindset toward learning.
- Actively participate in class activities and learning opportunities, always put forth my best effort, complete my assignments, and ask for help from parents and teachers appropriately.
- Responsibly deliver notes, report cards, and announcements between school and home promptly.
- Follow Water Canyon Elementary's rules and expectations, follow Washington County School District policies, and show respect for myself, classmates, teachers, staff, visitors, and school property.
- Accept responsibility for my choices, my actions, and my consequences.
