

NOTICE OF INVITATION

Here at Water Canyon, we always encourage parents and families to be an ongoing and integral part of our efforts. Our school Community Council is an organization that helps identify the needs of our students and our school. We receive funds annually from the State Trust Lands of Utah. Our Community Council helps direct those funds to critical areas of need for our students.

I invite you to become familiar with the Council information and actions by going to the "Community Council" tab on our school website. I likewise encourage you to attend our meetings (upcoming dates also on our website), run for elected positions, and generally be a part of our school Community Council.

If you have any questions, or would like further information, please come by the school and visit with me or you can email me at: chris.barrett@washk12.org.

Chris Barrett
Principal
